

CAMPAIGN TRAIN STARTED ON ITS LONG TRIP TODAY

REPUBLICAN STATE NOMINEES
LEFT CHICAGO FOR LONG
SWING.

BABY ELEPHANT GOES ALONG

Col. Lowden Leads State Candidates
In Longest State Campaign
Trip On Record.

Chicago, Oct. 3.—The campaign train carrying the republican state nominees left today for a tour of the state. Virtually every county in Illinois will be visited and wherever the train fails to visit a county Chairman Fred E. Sterling has arranged for one or more speakers from the train to go into that county. Thus the republican candidates will be heard in every one of the 101 downstate counties.

The trip will be one of the longest of the kind on record. The campaign train will be in use and operation up to and including October 26 when the candidates will return to Chicago. On board will be all the state candidates, as follows:

Governor, Frank O. Lowden;
Lieutenant Governor, John G. Caglesby;
Secretary of State, Louis L. Emerson;
Attorney General, Edward J. Brundage;
Treasurer, Len Small;
Auditor, Andrew Russell;
Congressmen at Large, Medill McCormick and Wm. E. Mason;
University Trustees, William L. Abbott, Mrs. Mary E. Busey and Otto W. Holt.

While there will be much oratory, Chairman F. E. Sterling of the State Central committee has also provided means of entertainment of a musical nature. The famous fife and drum corps of the G. L. Nevius Post, No. 1, G. A. R., Rockford, will travel on the train and intersperse the speaking with stirring airs. This corps has five members.

While the corps plays and the candidates present their arguments, on a flat car which is part of the campaign train will be on exhibition throughout the trip the celebrated elephant, Chin Chin. This symbol of the republican party is reputed the smallest trick elephant in the world and at times when there is a lapse in the regular program Chin Chin is expected to oblige.

The campaign train will be on duty 22 days and if the itinerary is religiously adhered to, 304 stops for addresses will be made. This means at least 304 speeches and in case several candidates make short speeches at the same point the total will be several times that number.

The train left Chicago this morning at 9:15 on the Illinois Central railroad and makes short stops at points in Will, Kankakee, Iroquois, Ford, Vermilion and Champaign counties the first day out. There will be fifteen meetings Tuesday, with a night rally at Champaign-Urbana at night.

Wednesday, October 4, 15 meetings are scheduled with a night meeting at Danville. The second day will be devoted to eastern Illinois. Thursday will be a busy day with 16 meetings and an evening rally at Centralia. The train will be in the south central part of the state that day. On Friday 12 meetings are planned with a night program at East St. Louis and Saturday will see 16 meetings, with the climax of the day at Carbondale.

There will be no work for the candidates Sunday and the itinerary will be resumed Monday, October 9, from Carbondale with 16 meetings ahead and a night affair at Cairo, the most southern of Illinois cities.

POUR MILK INTO THE GUTTERS

New York Milk Strike Is Developing
Violence Today.

(Associated Press)
New York, Oct. 3.—An effort to enforce the distributors to pay higher prices to the farmers for their milk caused a further reduction in the supply of milk. Reports from all parts of the state tell of thousands of gallons of milk being spilled in the streets by masked dairymen and employees of the distributors. In Dutchess county a man was beaten and a deputy sheriff who accompanied him was tied to a tree.

MYSTERY SURROUNDS AUTOMOBILE VICTIMS

MAN AND WOMAN, INJURED SUNDAY
EVE, WITHHOLD
IDENTITY.

WOMAN IS IN HOSPITAL

Fast driving near McRobert's crossing caused another automobile accident Sunday evening, the machine striking the fence and throwing its occupants, a man and woman, out of the car. The woman was injured and taken to the Dixon hospital. The man who at first refused to disclose his name and later giving what is believed to be a fictitious name, left town immediately. It is rumored that the young man was from Sterling and that his companion, reputed to be a member of a theatrical troupe which recently played there, has also given a fictitious name.

THIEF POSES AS OWN VICTIM

Evades Hotel Clerk and Gets Away
With \$400 of Guests Cash.

Peoria, Ill., Oct. 3.—F. D. Miller, a horseman attending the National Implement and Vehicle shoe races, was robbed of over \$400 while in his room at the Niagara hotel. Miller telephoned the clerk that the thief was en route down stairs from the fifth floor. A man came rushing into the clerk's desk, said he had been robbed and was going to get the police. It was later found that this man was the thief, who made good his escape.

The safe in Thomas J. Driscoll's saloon was looted of \$700 while Driscoll was attending church. No trace has been found of the bandits.

NEW ZEPPELIN RAID PROVES BIG FIASCO

Airship and Crew Destroyed;
Kill One Man.

London, Oct. 3.—The Zeppelin shot down north of London Sunday night was one of the new type of super-dirigibles, the largest air monsters in the world, Lord French, commander of the home forces, announces.

Ten Zeppelins crossed the east coast in Sunday night's raid. Beside the one shot down, another attempted to raid London, but was driven off.

The downed Zeppelin fell near Potter's Bar. The remainder of the raiding Zeppelins wandered aimlessly through the eastern counties and Lincolnshire, dropping bombs promiscuously. Most of the missiles fell in the open country.

One person was killed and one injured in the raid. The material damage was small.

DEMOCRATS MEETING

(Associated Press)
Mt. Clemens, Mich., Oct. 3.—Indications pointed to harmony in the democratic state convention today. The possibility of the advocates of prohibition getting a state-wide prohibition plank in the platform is not taken seriously.

INTERURBAN DELAYED

The two o'clock interurban was delayed an hour Sunday opposite the Beatty farm by the dropping of the trolley wire.

BURIED ONE YEAR FROM WEDDING DAY

ROBIN HARTWELL WAS MARRIED
AT FRANKLIN GROVE ONE
YEAR AGO MONDAY.

A particularly sad feature of the funeral of Robin Hartwell, which was held Monday afternoon, was recalled by Dr. F. D. Altman, who assisted Rev. Joseph Fort Newton in the services, in that the day was the first anniversary of the deceased's wedding. On October 2, 1915, Dr. Altman read the service that united Mr. Hartwell and Miss Della B. Morris at her home in Franklin Grove. The funeral services were very impressive and were largely attended, the cortege being one of the longest ever seen in Dixon—a fitting tribute to the esteem in which the young man was held. B. F. Downing sang Mr. Hartwell's favorite ballad, "A Bowl of Roses," and Mrs. Lee Read closed the service by singing "Lead Kindly Light." Miss Myrtle F. Rice accompanying both singers. The pall bearers were Harry Warner, Elmer Fahrney, Grover Gehant, Silas Hutton, John Devine and Clinton Mossholder.

FOOD PRICES SHOW BIG INCREASE

Chicago Market Furnishes Interest-
ing Comparisons.

(Associated Press)
Chicago, Oct. 3.—Staple foods such as butter, eggs and cheese have advanced nearly 50 per cent in price on the Chicago market during the past year, while even greater increases are shown in potatoes, cabbage, onions and flour, which have increased more than 60 per cent over Civil War prices. Meats have increased from 5 to 30 per cent; chickens, 20 per cent; turkeys, 50 per cent. The European war and crop shortages are declared to be the causes.

New York, Oct. 3.—Retail prices of staple articles of food compared with prices of a year ago show increases of from 40 to 170 and in some cases 500 per cent.

OPERATION TODAY

James Dykeman underwent an operation at the Dixon hospital today.

ROOSEVELT TO AID PENROSE

Pennsylvanian Has Promise of Col-
onel to Speak for Him.

New York, Oct. 3.—A tentative schedule for Colonel Roosevelt's western stumping tour comprises only four speeches. These are to be delivered at Chicago, Denver, Louisville and Pittsburgh. The trip to California seems to have been abandoned. It is likely that the Colonel will start either one week from next Friday or Saturday for Illinois. He has exacted that he shall make no rear end train speeches, but confine himself to a single one at Chicago.

The Colorado visit means Denver alone. A. T. Hert, manager of Chicago headquarters, insists that Roosevelt shall go to Kentucky. Senators Oliver and Penrose have the promise that the former President shall help them to carry Pennsylvania.

IS PROMOTED TO HIGH POSITION
WITH DIXON HOME
PHONE CO.

Miss Olive Schmucker, who has been assistant chief operator at the Dixon Home Telephone company exchange, has been promoted to the position of chief operator to succeed Mrs. Herman Cramm, nee Miss Clara Haas. Miss Schmucker has had a number of years' experience in the Dixon, Chicago and Polo telephone companies' exchanges and will doubtless find her new position with ability. Misses Gillman of Charleston and Domes of Polo, young ladies with considerable exchange experience, have accepted positions with the local company as assistant chief operators.

BIG STIR IN COTTON MARKET

Government Report Shows Crop
Short—Price Goes Up \$4.00 a Bale.

New York, Oct. 3.—One of the most sensational advances in the history of the cotton market attended the publication of the two government reports here. Since the beginning of this season there have been many periods of activity and excitement, but none of them has approached the present movement either with reference to the extent of fluctuations or in volume of trading.

The demand was stimulated by the condition figures of 55.3 or the lowest on record, indicating a crop of only 11,637,000 bales. Within a few minutes after these figures were issued January contracts sold at 17.03c, or \$4.60 a bale above the closing price of last week.

The semi-annual hydrant rental of \$3200, which was paid by the city council at its regular meeting this morning, boosted the monthly bills against the city to \$6,425. The presentation and payment of the bills was the most momentous action of the short session, other accomplishments being:

Passage of an ordinance establishing curb line on Highland avenue, between Third and Sixth streets. The street will be 30 feet wide.

Granting S. H. Svendsen permission to erect an electric sign in front of his paint store on First street.

MARY WRIGHT PLUMMER

The Minneapolis Tribune—A full and tremendously useful life came to an end a few days ago when Mrs. Mary Wright Plummer died in Dixon, Ill. The service which Miss Plummer rendered to society was not of the kind that is blazoned frequently in the newspapers or magazines, and yet the influence of her work is felt throughout her own country, if not throughout the civilized world. Her mission was, in a broad way, twofold—to teach librarians how best to perform their duties and to inspire in young and old a love of purposeful reading of books.

In this work Miss Plummer was a pioneer, having enlisted as a student of library science nearly 30 years ago. The rest of her life was devoted to this service, but she also found time to add to her country's literature in poetry and prose. She was one of the rare members of her profession who combined in excellent proportion a personal knowledge and love of books, with executive and organizing ability, and with the power to interest others in worth while books. In the librarians who sat at her feet as students she inspired a rare enthusiasm for their work, and thus her influence was given wide radius.

Her "Hints to Small Libraries" is a work that has been of great value to librarians in the smaller cities where the personal touch is in greater evidence than it can be in cities where the libraries contain hundreds of thousands of books and vast numbers of readers. The American people are better and wiser because of Miss Plummer's work. Her influence will continue to be felt for generations, although her voice is stilled and her pen put aside for all time.

HOWARD CAMPBELL DIED EARLY TODAY

POPULAR DIXON LAD SUCCEMBED
TO BLOOD POISONING
IN SOUTH.

PARENTS LEFT LAST NIGHT

Howard Campbell, son of Mr. and Mrs. George A. Campbell of this city, whose sudden critical illness was chronicled in the Telegraph Monday evening, died at the home of his grandmother, Mrs. Howard, at St. Petersburg, Fla. Word of the youth's untimely death was received in a telegram this afternoon, and proved a decided shock to countless friends, although they were partially prepared for the worst when a message received late Monday stated that his critical illness was blood poisoning, caused by a carbuncle on his neck. Mr. and Mrs. Campbell left late Monday for St. Petersburg, but of course had not reached his bedside before he passed away.

Howard was a decidedly popular boy in Dixon and his untimely death will cause great sorrow. He was one of the brightest boys in his class at school and as a member of the Chamber of Commerce band, in which organization he played first cornet until he went south with his grandmother a few months ago, he added to his large circle of friends. Notice of funeral arrangements will be made later.

Germans Are Checked.

Bulgars Repulsed.
London, Oct. 3.—The night was quiet on the Somme front. On the east bank of the Struma the British repulsed the Bulgarians.

Minimize Invasion.
Sofia, Oct. 3.—The Roumanian invasion of Bulgaria is minimized by the war office, which states that several battalions crossed in boats and that measures have been taken to attack them. The Bulgarians have captured the villages of Jenikoi and Novoyen which the British had taken.

Lost One Airship.
London, Oct. 3.—In an attack on the airship sheds near Brussels, one British machine was lost.

Destroyed Bridges.
Berlin, Oct. 3.—Teutonic forces have destroyed the pontoon bridges across the Danube in the rear of the Roumanian forces which invaded Bulgaria.

Rotterdam, Oct. 3.—The artillery bombardment of a continuous character is no longer limited to the Somme front; the German positions in Flanders also are being subjected to gunfire that has been unbroken since Saturday morning. Observers on the Dutch frontier saw on the far distant skyline reflections of gun flashes which made a continuous glow on the westward horizon, occasionally stabbed through by searchlights along the Belgian coast, where the Germans appear to be in a state of tense expectancy.

London, Oct. 3.—Pursuing their victory over the Bulgarians on the heights of Kalka Kelekan, the Serbians operating on the Macedonian front have pressed forward a mile and a half farther and occupied the village of Kotechove. The Serbian report of the operation adds that the battery captured on Kalka Kelekan was of field guns, not mountain guns, as was first reported.

Bulgarian counter attacks on the positions occupied by the British east of the Struma were repulsed with heavy losses to the attackers, it is reported today. Two villages were captured by the British in Saturday's advance, Kara Zakoibala and Karazakozir.

Russians in Bitter Fighting.
London, Oct. 3.—The armies of Prince Leopold and the Archduke Karl are hitting back furiously at the Russians who have resumed their drive on Lemberg. Despite heavy attacks, however, the Russian armies have been able to maintain their gains in all but one sector, and have captured nearly 2,000 additional prisoners.

The heaviest fighting occurred on the front southeast of Lemberg, on the heights that rise up from the right bank of the Zlota Lipa river. Here Turkish troops are fighting side by side with Austrians and Germans and it was against these forces that the Russians registered a gain which Vienna admits as "some metres."

On Prince Leopold's front, northeast of Lemberg, the Austrian war office reports the repulse of Russian attacks, three being broken up in one sector and seven on another. Here the Austrians have launched a counter attack, for which progress is claimed. South of the Brody-Lemberg railway, in this region, Berlin claims that a position was recaptured from the Russians and 1,500 prisoners taken.

Russ Take 1,600 More.
Petrograd, Oct. 3.—The Austrians made heavy counter attacks Sunday in an attempt to regain the ground lost in the new Russian drive on Lemberg. The war office announces that the attacks were repulsed and that 1,600 more prisoners were taken, bringing the total captured in the last few days to 5,600.

MOTHER LOVE AIDS SON IN TRENCHES

It Brings Relief To Boy Standing His Watch Deep In Mud.

Once upon a time, only a few months after this terrible world war had begun, Private Bailey, a soldier in the ranks had stood for days in the trenches "somewhere in France". The cold rain soaked him to the skin; the mud was deep. He had had no rest. Weary and aching with rheumatic pains, he recalled the faith his mother had in Sloan's Liniment. He asked for it in his next letter home. A large bottle was immediately sent him and a few applications killed the pain; once more he was able to stand the severe exposure. He shared this wonderful muscle-soother with his comrades, and they all agreed it was the greatest "reinforcement" that had ever come to their rescue. At your druggist, 2c, 50c and \$1.00 a bottle.

Good Old Home-Made Family Cough Remedy

Much Better than the Ready-Made Kind—Easily and Cheaply Prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple "home-made" cough syrup which takes only a few minutes to prepare. Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and gives you a full pint of really better cough syrup than you could buy ready-made for \$2.50. Tastes pleasant and never spoils. This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes that line the throat, chest and bronchial tubes, so gently and easily that it is really astonishing. A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better. Pinex is a most valuable concentrated compound of genuine Norway pine extract, combined with guaiacol and has been used for generations to break up severe coughs.

To avoid disappointment, be sure to ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

GETTING BEHIND THE SCENES.

Rev. Joseph Fort Newton, who was in Dixon yesterday, said that while he did not particularly want to go to England, the people of City Temple Church are so insistent in their demands and make such a splendid offer that he can hardly see his way clear to refuse it. But Rev. Newton said: "Why should I want to go to London? Why do I want to get any closer to the horror of this war? I'll see the grief of wives and mothers and I'll see the pieces of the boys themselves that are brought home crippled. I don't want to get behind the scenes in that awful play."

And the former pastor speaks from the heart of a man who has too great a love for his fellow human to be able to watch his suffering without sympathetic pain. It will not be pleasant for Rev. Newton, if he goes, but we know that if he goes he will take with him a new view of things, an optimism and a bright cheerfulness from a peaceful land that will be a big aid to his church members.

Furthermore, the presence of Joseph Fort Newton, as thorough and loyal and upright an American as ever lived, in the largest church in London, will do not harm to the relations of the governments of the United States and Great Britain. The Britishers do not understand the attitude of the people of the United States, not because we are wrong, but because the viewpoint of the two nations is entirely different. From where the Englishman sits, things look a whole lot different than they do from here. We misunderstand them and they misunderstand us. Rev. Newton, in his eminent position, could do much to make us understand each other.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little tot is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages, and for grownups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the California Fig Syrup Company.

John Odenthal will return Friday from an extended western business trip, and after spending several days here will leave on a three months' trip through the east. Later he will be joined by his wife, who will accompany him to New York, Philadelphia, Washington and other eastern cities.

Killian-Place

The wedding of Mrs. Nettie M. Johnson Place, a daughter of Mr. and Mrs. F. E. Johnson, of Peoria Ave., to Oliver L. Killian of Oak Forest, Ill., occurred this afternoon at the farm home of Mrs. Place in South Dixon. Rev. G. W. Stoddard of the First Baptist church of Dixon officiated.

For this autumn wedding, autumn leaves were massed attractively about the house, and roses and ferns were also used extensively in the decorations. The wedding took place in the living room which was particularly attractively decorated. The bride was very charming in an imported white net over crepe de chine. Bride's roses were carried. Her bridesmaid, the groom's sister, Miss Martha Killian of Winnet, Montana, wore a handsome gown of light blue tulle, and carried pink roses. Mr. William Brouck of Chicago served as best man. The ring ceremony was used. A wedding luncheon of several courses was served after the ceremony. Mr. and Mrs. Killian left this afternoon for Chicago where their honeymoon will be spent.

Mr. and Mrs. Killian will make their home on the farm in South Dixon, which was previously the home of the bride. Mr. Killian has been for a number of years a Chicago business man and just previous to his marriage was connected with the Cook County Institution at Oak Mrs. Wm. D. Killian of Winnet, Montana.

A WORD WITH WOMEN

Valuable Advice for Dixon Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter. It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They're endorsed at home—Read this Dixon woman's convincing statement:

Mrs. C. Charlton, 516 Lincoln Ave., Dixon, says: "I suffered for a long time from pains across my back and sides. The trouble was particularly severe at night and early in the morning. When I bent over to lift anything, I was hardly able to straighten up again. My kidneys were inactive, too. Doan's Kidney Pills, procured from Leake Bros. Co.'s Drug Store, weren't long in giving me relief." (Statement given May 21, 1912.)

On January 21, 1915, Mrs. Charlton said: "I use Doan's Kidney Pills whenever my back gets lame or sore and they always help me."

Price 50c, at all dealers. Don't simply ask for a remedy—get Doan's Kidney Pills—the same that Mrs. Charlton has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

BULGARIA IS INVADED BY ROUMANIAN FORCE
For First Time in War They Enter Foe's Territory.

AUTO WITH CHOIR IS WRECKED, NINE HURT
Victims Were Members of Duquoin, Ill., Catholic Church.

Berlin, Oct. 3.—Roumanian troops have invaded Bulgaria for the first time since Roumania entered the war. On official statement from the war office announced that the Roumanians succeeded in crossing the Danube south of Bucharest, gaining a footing on Bulgarian soil.

Duquoin, Ill., Oct. 3.—Speeding at a rate of little better than thirty miles an hour, a big touring car conveying the Catholic church choir of Duquoin to Christopher, where they were to take part in the dedication of a new church, skidded, three miles north of Christopher, and hurled the nine occupants to the ground, seriously injuring two. The car turned completely over twice, being wrecked.

The Bulgarian fortress of Rustchuk, the strongest Bulgarian position on the Danube, lies directly south of Bucharest, and the Roumanian crossing was made near this point.

The injured are: Henry Fritz, owner of the car, head and arm injured; Mrs. Henry Fritz, arm broken, head and face lacerated and body bruised; Godfrey Schleper, head badly injured; Miss Loretta Horn, head and face bruised; Miss Leola Sanford, broken arm and injury to head; Miss Agnes Schmitt, broken arm and lacerated head and neck; Aloisius Sanford, hand injured; Thomas Anderson, chauffeur, head and face injured.

On the Russian front, the Teutons recaptured a position north of Grabarka, which was lost to the Russians Saturday, taking 1,500 prisoners.

Doctors were rushed from Christopher to the scene of the accident and treated the injured at a nearby farmhouse. They were later brought to their homes in this city.

On both sides of the Brody-Lemberg railway Russian attacks failed. East of the Zlota Lipa fighting continues.

WHERE ARE MY CHILDREN?

Sensational Powerful Dignified and A Distinct Revelation To All World--

Endorsed by Pres. Public and Clergy and pronounced Humanity's most powerful weapon against the premeditated destruction of the unborn Played by a brilliant cast headed by that distinguished actor.

Mr. TYRONE POWER

Synopsis of the Story

Behind the portals of eternity the souls of little children waited to be born. Within the first space was the great army of "Chance Children." Without distinguishing mark they went forth to earth in great numbers. Then came those sad Unwanted Souls that were constantly sent back. They were marked morally or physically defective, and bore the sign of the serpent. And then in the Secret Place of the Most High were those souls, fine and strong, that were only sent forth on prayer. They were marked with a cross.

Richard Walton, District Attorney, was a great believer in eugenics. The sight of the poor defectives constantly passing through the police court always left him sad.

It was a great grief to the district attorney that his wife was childless; but never dreaming that it was her fault he concealed his disappointment. His sister had contracted a eugenic marriage, and Walton watched the result with interest. When her first child was born, his pride and delight in it was equal only to that of the parents themselves. As the child grew up Mrs. Walton watched with surprise her husband's interest in it. A faint regret stirred in her that she had deliberately elected to remain childless.

About this time Mrs. Walton's chum, Mrs. Brandt, was disappointed to find herself on the way to motherhood. A coveted invitation to a smart house party made her further discontented with her condition. Mrs. Walton referred her to her own physician, Dr. Malit, and even escorted Mrs. Brandt to his office. Thus one of the Unwanted Ones returned, and a social butterfly was again ready for house parties.

A case had come to trial that greatly interested the district attorney. A fanatic on the subject of well-born children had written a book, attempted to send it broadcast, in which the truth about unwelcome motherhood, birth regulation and other sex questions were set forth. The district attorney began to think more and more of his unborn child.

It happened that Mrs. Walton's brother, Roger, a young rake, was visiting her when the housekeeper's daughter, Lillian, came home from school. Having no place to put the girl, the housekeeper asked permission to keep her until some further arrangement could be made.

It was inevitable that Lillian, young and innocent, should fall prey to the schemes and wiles of Roger. Presently another of the Unwanted Ones had come to Lillian.

Lillian lived long enough to tell her mother the truth; then she paid the price of her folly with her life.

Her distracted mother confronted the family with the tragedy, and although Roger escaped by leaving the country and Mrs. Walton's part in it was not discovered, the district attorney got the one criminal whom he knew, and brought all his efforts to bear upon convicting him. Fighting for his life, Dr. Malit wrote to Mrs. Walton, threatening her with exposure unless she influenced her husband in his favor. This she was unable to do; but Malit's efforts to have introduced into the case the names of his clients were unsuccessful, and he was given a heavy sentence. In revenge he sent his day-book to the district attorney, with the pages marked on which Mrs. Walton's accounts were registered with him. In this way the district attorney learned why his home was childless. A bitter scene ensued that broke Mrs. Walton's spirit of selfishness forever, awakened her to a sense of the wrong she had committed and brought repentance.

Repentance came too late. The portals were never again to open to her. Throughout the years with empty arms and guilty conscience she must face her husband's unspoken question "Where Are My Children?"
